# Cybersecurity

How much do you post online?

How long does it stay online?

Who has access to it?

What are good passwords?

What about hackers?

Should you believe everything you see online?

# Activity – 2 minutes

- How would they handle each possible situation, and why?

Text? Call? Face-to-face? Post on social?

Late to work

Breakup with boy/girlfriend

Family emergency

Canceling on someone

Birthday

Need a ride

Need help with something

Argument within a text

Argument with a parent

Need help with school

Promposal announcement

Not doing well in class
