

BISMARCK PUBLIC SCHOOLS

Outstanding Employees

Bismarck Public Schools would like to recognize support staff who have given outstanding service to our school district. We are seeking nominations for employees in the following categories: (1) child nutrition; (2) secretarial/clerical; (3) custodial; (4) facilities and transportation; (5) instructional aide, and (6) professional support staff.

If you know of one or more persons who have performed services beyond the normal expectation of their job, please take a minute and tell us about them.

We will ask the District Personnel Committees to review all nominations and select one person from each of the six areas. **These six individuals will be honored at our Recognition Dinner on Thursday, April 22, 2021.**

I would like to nominate _____ because
Name and Position

My name is (optional) _____
