SUPERINTENDENT'S LETTER TO PROFESSIONAL SUPPORT STAFF

To: Professional Support Staff

Re: Personnel Policies

Bismarck Public Schools has developed a policy manual for professional support employees in an effort to assist professional support staff in understanding expectations.

This manual is a guide and reference only. It should not be interpreted as being an amendment, change, or enlargement of any person's agreement with the Bismarck Public School district.

Employees and their supervisors must translate the ideas and principles in this manual into action.

Each professional support staff employee must familiarize him or herself with the contents of this manual to ensure that all personnel policies are followed fairly and effectively.

Thank you.

FUNCTIONS OF THIS MANUAL

This Personnel Policy Manual is an outline of the basic personnel policies, practices, and procedures in the Bismarck School District. It contains general statements of school district policy and it should not be read as including the fine details of each policy, nor as forming an express or implied contract or promise that the policies discussed in it will be applied in all cases, nor is it to be interpreted to alter, amend, or extend any of the terms of any written agreement of employment existing between the employee and the district. The school district may add to the policies in the manual or revoke or modify them from time to time. While management will make every effort to keep the manual current, there may be times when policy will change before this material is revised and re-published. A complete up-to-date set of policies is available for review online at <https://www.bismarckschools.org/Page/3598>.

The Human Resources Manager shall be responsible for custody and place of the Manual on the district's website. Employee will be required to review the manual at least once per school year.

1. Because of the importance of personnel policies and practices in the conduct of school district business, central administration and the School Board will continually review and recommend changes in the school district's personnel policies, its employee benefit programs, and its salary administration programs. Input from employees concerning policies will always be welcome and encouraged.
2. Any employee may recommend a change in policy to the Human Resources Manager. Likewise, matters of importance not covered by the manual should be brought to the attention of the Human Resources Manager in order that new policy may be formulated if necessary.

Notice of Title IX Coordinator: Stacey Geiger, HR Manager, contact information: 806 N Washington St, Bismarck, ND 58501, (701) 323-4070, Stacey_Geiger@bismarckschools.org

INTRODUCTION

The manual provides a brief overview of the policy, please reference the specific policy for more information.

The letters, which appear in capitalization following some headings, indicate the reference code for policies and procedures contained in the policy manual adopted by the Bismarck Public School Board. Policy manuals are available online on the Bismarck Public School website. Links are included with each policy summary along with links to specific forms mentioned in the policy.

Staff must adhere to all state and federal laws regarding conflict of interest. In addition, they need to be alert to and avoid situations which have the appearance of a conflict of interest.

STAFF INVOLVEMENT IN DECISION MAKING (DGH)

The Bismarck Public School Board believes that its major policy decisions should be reached with meaningful participation by the staff in a process which culminates in a recommendation to the Board by the Superintendent. This participation is to be interpreted as contributing to the establishment of policy rather than as setting it, which is a right ultimately reserved to the citizen members of the Board.

Further, the Bismarck Public School Board believes that major decisions of the administration regarding the overall school program, including curriculum, instruction, and budget, should also be reached with meaningful participation by the staff in the decision-making process. Staff participation in the decision-making process is to be interpreted as non-binding recommendations to decisions by the administration

pursuant to the authority delegated by the Bismarck Public School Board.

The Bismarck Public School Board believes that participation by staff in the decision-making process should be conducted in a spirit of cooperation.

The Superintendent will assure that each administrator establishes a written process by which meaningful participation by the staff is sought during the decision-making process on major decisions.

TOBACCO FREE SCHOOLS (ABBA)

The Bismarck Public School Board is dedicated to providing a healthy environment for staff, students and citizens. Because the use of tobacco is a highly addictive habit usually begun in the adolescent and teen years, the most effective means toward achieving a tobacco-free generation will be prevention of tobacco use by youth through education, positive adult role models and aggressive action to limit and confine available tobacco areas.

Smoking and the use of tobacco products is prohibited in all district buildings and school property, including district-owned vehicles. This also includes buildings and property rented by the school district.

SAFETY PROGRAM (ID)

The Bismarck Public School District safety program is to protect the safety and health of our employees. Injuries and property loss through accidents are needless, costly and preventable. The Bismarck Public School District works to eliminate all accidents and health hazards by the establishment of a safety and health program, which is adapted to fundamental safety concepts and proven management performance. The reduction of accidents and claims is a goal of the administration.

Each employee has the responsibility for his/her own safety, as well as the safety of his/her fellow employees. It is only by each employee becoming familiar with the hazards of his/her job and doing what is necessary to insure their safety that the district can achieve the safe working conditions deserved by all its employees.

Employees with safety concerns or suggestions should contact their supervisor or the Safety Coordinator. [Safety Website](#)

SANITARY CLEANUP AND DISPOSAL (ACBB-E)

School personnel should practice hygienic procedures when disposing of all human secretions and excretions since they may contain infectious agents capable of spreading disease and since carriers of infectious or contagious diseases are often unknown.

SIGNIFICANT CONTAGIOUS DISEASES (ACBB)

No one will be denied employment with the District solely because they have or they are perceived

to have a significant contagious disease. The District prohibits harassment and/or discrimination against an individual diagnosed as having a significant contagious disease. Complaints alleging harassment/discrimination based on a significant contagious disease shall be handled in accordance with the [District's Harassment and Discrimination Grievance Procedure](#).

All information concerning an affected person's condition that is given to an employee or official of the District shall remain confidential. An employee violating these prohibitions shall be subject to disciplinary consequences in accordance with policy, law, and when applicable, the negotiated agreement.

Employees will be receive appropriate training that addresses significant contagious disease prevention. The training will include the proper use of universal precautions.

STAFF DRESS CODE ([DEAC](#))

As role models, staff should always be conscious of how their dress and grooming affects students. All staff shall wear attire appropriate to their profession and the occasion, which provides protection and safety as necessary.

STAFF EVALUATION ([DFA](#))

The fundamental purposes of evaluations are both quality assurances and professional development. The evaluation of staff performance is an important means of promoting excellence in education in the Bismarck Public Schools.

All professional support staff employees will be evaluated at least once per year.

STAFF POWER-DIFFERENTIATED FRATERNIZATION ([DEBI](#))

It is the policy of BPS to ensure that the work environment is free from intimate, romantic, or dating relationships between supervisors and their subordinates or between employees involved in a power-differentiated work relationship. The district is concerned these relationships can lead to concerns with sexual harassment and may negatively impact the moral and operations of the district.

If employees are involved in these types of relationships they need to report them to human resources department or another management official. The district will work with the individuals involved in the personal relationship to modify the working relationship or assignments.

STAFF-STUDENT RELATIONS (NON-FRATERNIZATION) (DEBD)

Employees, volunteers, and students are expected to treat one another with respect and professionalism. Professional support staff must exercise good judgement and maintain professional boundaries when interacting with students at all times, on and off school property.

Any behavior of a harassing or sexual nature towards students is strictly prohibited. Individuals aware of any prohibited behaviors are expected to report such actions to a building administrator or the Superintendent.

STUDENT CONDUCT, DISCIPLINE, AND CORPORAL PUNISHMENT PROHIBITION (FE)

Students are expected to conduct themselves in a manner fitting their age level and maturity, and in a manner that will not impede on the orderly conduct of the district. Students are expected to be reasonably prepared for all their classes and to comply with student conduct standards and prohibitions contained in district policies and regulations.

Consequences for misconduct will be fair and developmentally appropriate in light of the circumstances. Disciplinary measures will be as positive as possible, involving the student in defining acceptable behavior.

Reasonable physical force may occasionally be necessary to guard the safety and well-being of students or employees or to deliver a student to an administrator's office; however, the use of corporal punishment, defined as the willful infliction of physical pain on students, is not allowed.

UNEMPLOYMENT INSURANCE

Staff employees are entitled to unemployment insurance. Eligibility and benefit amounts are determined individually based on a percentage of yearly earnings, up to the allowable maximum. ***Unemployment insurance is not available for the summer months when nine or ten month personnel are not working.***

VEHICLE INSURANCE

All school system vehicles are protected by the district's liability insurance carrier. Employees who transport students in school vehicles are required to participate in the district's random drug testing program.

VIOLENT and THREATENING BEHAVIOR (ACE)

A true threat is a statement made orally, in writing, or using another medium that would be perceived by a reasonable person to be a serious expression of intent to harm, commit assault, or

damage school property.

An employee who has knowledge of a threat must report it to the building principal or Superintendent. Failure to report a known threat may result in disciplinary consequences up to and including termination of employment, in accordance with policy, law, and when applicable, the negotiated agreement.

The District prohibits all acts of violence and aggression, including, but not limited to, possession of a weapon or dangerous instrument, physical assault, vandalism of district property, stalking, gang affiliation and/or activity, or terroristic acts. Violators of this policy shall be subject to disciplinary consequences, determined by the seriousness of the act, including but not limited to, discharge and exclusion from school premises. In addition, the District may take legal action against the perpetrator.

Employees may also be subject to the filing of criminal charges and/or referred to counseling services for treatment.

WEAPONS PROHIBITION ON DISTRICT PROPERTY ([DEAG](#))

Employees, district contractors and/or their employees, and district volunteers shall not possess a dangerous weapon or firearm on district property or at school-sponsored events, including those individuals who may otherwise be permitted by law to carry such weapons.

Employees in violation of this policy will be subject to discipline up to and including dismissal in accordance with any applicable law. A referral to law enforcement may be made by appropriate school officials.

WELLNESS ([ABCC](#))

The District works to promote the following nutrition goals through the curriculum and other promotional methods:

2. Provide overall school environment that encourages students to make healthy food choices.
3. Identify and implement methods to educate family members about district nutrient standards and goals and involve them in program development and implementation.

The District has a wellness committee which will help develop a list of activities to help the District and each individual school achieve their wellness goals. The wellness committee will also help with the monitoring and enforcement of building-level compliance of the wellness policy.

WHISTLEBLOWER PROTECTION: PROHIBITION AGAINST RETALIATION (ACF)

District employees will not be asked nor should they violate federal, state, or district policy through practice, policy, act or omission. Under this policy, District employees are protected from reprisal, retaliation, or discrimination (including, but not limited to: discharge, threats, or penalizing compensation, work conditions, locations, or privileges or employment) if they:

1. In good faith, made or intends to make a report that the school board, school employee or an entity/person with who the school district has business relationship has violated federal, state, or local law/administrative rules or district policy through practice, policy, act, or omission.
2. Participates in a Bismarck School District-related investigation, hearing, or inquiry; or
3. Refuses to carry out a directive that the employee believes is a violation of state or federal law, rule, or regulation or poses a substantial or specific danger to public health and safety, provided the employee has an objective basis for that belief and informs the employer that the directive is being refused for that reason.

The District will comply with the Federal False Claims Act (FCA) and expects all employees to follow the requirements of FCA. Employees who in good faith file a claim under FCA will not face any reprisal, retaliation, or discrimination due to filing a claim.

Anyone covered by the above protections who reasonably believes that this policy has been violated by a district employee, contractor, or other authorized district agent may file a grievance in accordance with the district's applicable complaint or grievance policy. In the absence of policy or if policy is not applicable given the nature of the grievance, the individual should report to the Superintendent who shall investigate. If a grievance under this policy concerns the Superintendent or a school board member, the complainant should report to the Board President or Board Vice President (if the report concerns the Board President) who shall investigate. If the grievance concerns the entire school board, it should be filed with the Burleigh County School Superintendent for investigation.

WORKERS COMPENSATION and OCCUPATIONAL SAFETY (DCABC & DEAF)

Bismarck Public Schools furnishes workers compensation insurance coverage for all employees. Workers compensation insurance is intended to provide medical care and pay for lost time resulting from injuries on the job and those illnesses caused by the employee's work.

Employees must report any accident to their supervisor immediately. The employee is also responsible for contacting the District Safety Coordinator immediately after an incident. Failure to do so could result in disciplinary action. Employees should also report a near miss or close call,

which occurred to them or they witnessed. Reports must be on all accidents not just those resulting in an injury.

Employees who are reimbursed by Work Force Safety and Insurance for days absent from work cannot have sick leave payments or any other district provided insurance exceed their regular earnings.

As part of the North Dakota Workers Compensation Risk Management Plan, the Bismarck School District selected Work Life and Sanford OccMed as its primary designated medical providers. Any employee who is injured on the job and requires attention must report to Work Life at Mid Dakota Clinic at 401 N 9th St or Sanford OccMed at 2603 E Broadway. If an employee wants a medical provider not associated with WorkLife or OccMed approval must be designated prior to the work-related injury. Contact the District Safety Coordinator for approval.
