SUPERINTENDENT'S LETTER TO SUPPORT STAFF

To: Support Staff

Re: Personnel Policies

Bismarck Public Schools has developed a policy manual for support employees in an effort to assist support staff in understanding expectations.

This manual is a guide and reference only. It should not be interpreted as being an amendment, change, or enlargement of any person's agreement with the Bismarck Public School District.

Employees and their supervisors must translate the ideas and principles in this manual into action.

Each support staff employee must familiarize him or herself with the contents of this manual to ensure that all personnel policies are followed fairly and effectively.

Thank you.

FUNCTIONS OF THIS MANUAL

This Policy Manual is an outline of the basic personnel policies, practices, and procedures in the Bismarck Public School District. It contains general statements of school district policy and it should not be read as including the fine details of each policy, nor as forming an express or implied contract or promise that the policies discussed in it will be applied in all cases, nor is it to be interpreted to alter, amend, or extend any of the terms of any written agreement of employment existing between the employee and the district. The school district may add to the policies in the manual or revoke or modify them from time to time. While management will make every effort to keep the manual current, there may be times when policy will change before this material is revised and re-published. A complete up-to-date set of policies is available for review online at <https://www.bismarckschools.org/Page/3598>.

1. The Human Resources Manager shall be responsible for custody and providing the manual on the district website. Employees will be required to review the manual at least once per school year.
2. Because of the importance of personnel policies and practices in the conduct of school district business, central administration and the School Board will continually review and recommend changes in the school district's personnel policies, its employee benefit programs, and its salary administration programs. Input from employees concerning policies will always be welcome and encouraged.
3. Any employee may recommend a change in policy to the Human Resources Manager. Likewise, matters of importance not covered by the manual should be brought to the attention of the Human Resources Manager in order that new policy may be formulated if necessary.

Notice of Title IX Coordinator: Stacey Geiger, HR Manager, contact information: 806 N Washington St, Bismarck, ND 58501, (701) 323-4070, Stacey_Geiger@bismarckschools.org

INTRODUCTION

As a service for staff, the Bismarck Public School District publishes the Personnel Handbook. It can be a useful reference for providing information and answering questions relating to personnel concerns and the operation of the Bismarck Public School District. The manual provides a brief overview of the policy, please reference the specific policy for more information.

The letters, which appear in capitalization following some headings, indicate the reference code for policies and procedures contained in the policy manual adopted by the Bismarck Public School Board. Policy manuals are available online on the Bismarck Public School website. Links are included with each policy summary along with links to specific forms mentioned in the policy.

The policies described here are not conditions of employment, and the language is not intended to create a contract between the Bismarck Public School District and its employees.

EMPLOYMENT

All information received by the district as a result of this policy is confidential.

DRUG AND ALCOHOL TESTING FOR EMPLOYEES (DBBA)

Staff who drive district vehicles and transport students are covered by the requirements of the Omnibus Transportation Employee Testing Act. All covered employees are prohibited from using controlled substances and are subject to pre-duty, on-duty, and post-accident alcohol use restrictions contained in federal law.

The District prohibits discrimination and harassment based on a student's, parent's, guardian's, or employee's race, color, religion, sex, gender identity, national origin, ancestry, disability, age, or other status protected by law. The District also provides equal access to the Boy Scouts and other designated youth groups, as required by federal law.

It is a violation of this policy for any district student, parent, guardian, employee, or third party to discriminate against or harass another district student or employee, based on any status protected by law, if the conduct occurred within the context of an education program or activity, or if the conduct had a continuing effect in the educational setting of a program or activity occurring on or off school district property. The District will not tolerate discrimination or harassment of a district student or employee by a third party. The District also prohibits aiding, abetting, inciting, compelling, or coercing discrimination or harassment; discriminating against or harassing any individual affiliated with another who is protected by this policy and/or law; knowingly making a false discrimination and/or harassment report; and retaliation against individuals who report and/or participate in a discrimination and/or harassment investigation, including instances when a complaint is not substantiated.

The District shall promptly investigate any discrimination, harassment, or retaliation complaint and act on findings as appropriate, or as required by law. Outcomes may include disciplinary measures such as termination of employment or student expulsion in accordance with administrative policy, law, and, when applicable, the negotiated agreement. Students and employees are expected to fully cooperate in the investigation process. The District will take steps to prevent recurrence of discrimination, harassment, or retaliation and remedy discriminatory effects on the complainant and others, if appropriate.

PHYSICAL EXAMINATIONS (DBBB)

At the post-offer stage of the employment process, the District may require certain categories of final candidates as delineated below and in regulations to submit to a physical, or in the case of commercial bus drivers, furnish valid proof of medical fitness for duty. If the District requires a physical exam, a final job offer shall be contingent on the results of the exam, with the employment decision being made in a nondiscriminatory manner.

Food Service employees must have on file with the District a current health certificate stating the individual doesn't have any communicable diseases and signed by a licensed physician. Contact the Child Nutrition Program Director for additional information.

Bus Drivers will need to meet all of the health requirements established by law and provide the Assistant Director of Transportation with a copy of their driving record annually.

POLITICAL ACTIVITIES (ABBDA)

The District recognizes that district employees, students, volunteers, and Board members have certain civic rights (e.g., the right to be an active member of a political party of choice; the right to seek, campaign for, and serve in public office; the right to vote). However, in accordance with law, the District prohibits the use of school property, school time and school service for political purposes except as authorized by law and Board approval. Use of the school delivery system for political purposes is also prohibited. Employees shall not use on-duty hours for political purposes and shall observe state law prohibiting political activities by public employees. No District employee or volunteer shall exploit students for political purposes.

PROMOTION (DFB)

It is the policy of the Bismarck Public School Board to consider competent and faithful employees within the district whenever they are qualified for the position. All openings for promotion and/or new positions will be posted on the district website and Human Resources Office and qualified personnel will be given adequate opportunities to make application for such positions. Existing employees are not eligible for Veteran's Preference when applying for internal positions.

RECRUITMENT, HIRING AND BACKGROUND CHECKS FOR NEW CLASSIFIED PERSONNEL (DBAA)

The District is committed to hiring individuals who will best meet the needs of the District to ensure student and staff safety, and in compliance with state and federal law. All classified employees are hired on an hourly rate and not on a contract. The employment of a classified employee shall be at-will.

The District uses a competitive personnel system, after conducting the qualifications screening, which meets the requirements of the Veteran Preference law (NDCC 37-19.1.02). Job offers will be based on the administrators screening process which will include a screening to determine if the applicant meets the minimum qualification, a review of the education, work experience, work history background, fit with position and the district, and a criminal history records check.

STAFF CONFLICT OF INTEREST (DEBB)

Staff must adhere to all state and federal laws regarding conflict of interest. In addition, they need to be alert to and avoid situations which have the appearance of a conflict of interest.

STAFF INVOLVEMENT IN DECISION MAKING (DGH)

The Bismarck Public School Board believes that its major policy decisions should be reached with meaningful participation by the staff in a process which culminates in a recommendation to the Board by the Superintendent. This participation is to be interpreted as contributing to the establishment of policy rather than as setting it, which is a right ultimately reserved to the citizen members of the Board.

Further, the Bismarck School Board believes that major decisions of the administration regarding the overall school program, including curriculum, instruction, and budget, should also be reached with meaningful participation by the staff in the decision-making process. Staff participation in the decision-making process is to be interpreted as non-binding recommendations to decisions by the administration pursuant to the authority delegated by the Bismarck Public School Board.

The Bismarck Public School Board believes that participation by staff in the decision-making process should be conducted in a spirit of cooperation.

The Superintendent will assure that each administrator establishes a written process by which meaningful participation by the staff is sought during the decision-making process on major decisions.

TRANSFERS AND REASSIGNMENT (DFC)

Staff interested in transferring to an open position in the District for which they are qualified shall use the online application system. Qualified applicants will be given consideration for vacancies.

Reassignment may occur due to an instruction or district need. The Superintendent or designee has authority to make transfer decisions as outlined in policy.

TOBACCO FREE SCHOOLS (ABBA)

The Bismarck Public School Board is dedicated to providing a healthy environment for staff, students and citizens. Because the use of tobacco is a highly addictive habit usually begun in the adolescent and teen years, the most effective means toward achieving a tobacco-free generation will be prevention of tobacco use by youth through education, positive adult role models and aggressive action to limit and confine available tobacco areas.

Smoking and the use of tobacco products is prohibited in all district buildings and school property, including district-owned vehicles. This also includes buildings and property rented by the school district.

COMPENSATION AND BENEFITS

The type of position to which employees are assigned determines the Support Staff rate of pay. Support Staff positions are categorized by a classification system, which offers a beginning rate and a maximum rate. Benefits are determined by the number of hours per week and the number of weeks per year assigned to a position. Salary and benefit schedules may be obtained from the employee's supervisor or the Human Resources Office. [Salary Schedules](#)

Employees hired after April 1st will not be eligible for pay increases for the next school year.

ABSENCE FROM WORK (DD)

Absence for the employee's own illness, disability, or death in the immediate family shall be charged against his/her cumulative sick leave. "Immediate family" shall be interpreted to include: spouse, son, daughter, father, mother, brother, sister, grandparents, grandchildren, sons or daughters-in-law, uncles or aunts of the employee and employee's spouse or any relative residing in the immediate family of the employee. The employee may, upon specific approval of the Superintendent, be absent for the purpose of attending the funeral of a close family friend. Time used in this manner will be deducted from accumulated sick leave.

When any member of the immediate household as defined above, is seriously ill, undergoing surgery, or involved in a critical accident, the employee may use sick leave to be with that person.

COBRA (DKBE)

The federal law, Consolidated Omnibus Budget Reconciliation Act, referred to as “COBRA,” allows employees and dependents whose medical insurance would otherwise terminate, to continue the same medical coverage for a specific period of time under certain conditions. Depending on the circumstance, employees and/or their dependents can continue medical coverage for up to 18, 29 or 36 months. The Employee Assistance program, The Standard, provides employee assistance services to all eligible employees and their immediate family members. The Employee Assistance Program (EAP) is a confidential assessment, counseling, and referral service staffed by trained professionals who can help employees and their family members evaluate problems and take positive action to resolve them. The Employee Assistance Program provides up to 6 counseling sessions per incident without cost to employees or their family. Employees can contact the EAP 24 hours a day, 7 days a week by calling 1-888-293-6948.

The principal or appropriate supervisor shall determine whether it is necessary for nonexempt employees to work overtime hours. Nonexempt employees shall be required to perform all overtime hours assigned to them by their supervisor. Overtime is to be preapproved except in cases of emergency, in which case it must be approved the next work day. Unapproved overtime shall be compensated, but employees may be disciplined for not following the guidelines above.

All new support staff employees will be placed at year 1 on the salary schedule. Support staff employees do not receive credit for prior work experience for placement on the salary schedule.

If the support staff employee returns within the year they left employment along with remaining in a similar position, they would receive credit for prior work experience.

Current support staff employees moving to a different type of position, salary schedule placement will be determined by the HR Manager.

However, if an employee is on authorized personal or vacation leave while performing jury duty, the employee may retain the fee paid by the court and the employee's pay may not be reduced. Employees who are not selected to serve on jury duty, upon release, are asked to return to work or use available personal/vacation leave.

POLITICAL LEAVE ([DDCA](#) & [DDCA-BR](#))

Employees who are elected to legislative office will be granted leave without pay for the period of absence when the elected body is actually meeting in session. Employees can also take up to a maximum of 20 days for additional legislative work outside of the regular legislative session. Employees must submit a request for legislative leave to their principal or supervisor.

ADMINISTRATIVE LEAVE AND SUSPENSION ([DED](#))

The Superintendent has the authority to place a support staff employee on administrative leave when an employee is under district and/or law enforcement investigation, and the Superintendent identifies a need to temporarily remove the employee from his/her duties and/or job placement to protect district students, property, school operations and/or other employees.

Administrative leave shall be with pay, and the employee shall not be required to take any applicable paid leave benefits as part of the administrative leave. The leave will be until the investigation is complete and it is determined the employee's potential threat has passed.

Disciplinary suspension for support staff should occur only after the district has verified the misconduct has occurred. Disciplinary suspensions should be unpaid, and support staff suspended for disciplinary reasons should not be entitled to back pay.

Support staff employees may be suspended during a period when termination for cause is being pursued. If the support staff employee is suspended without pay and later reinstated, the

employee shall be entitled to back wages and accrual of any benefits that would have accumulated during the period of suspension.

TERMINATION OF EMPLOYMENT

All fringe benefits provided by the District to support staff employees are discontinued at the conclusion of employment with the school district. However, the termination date of fringe benefits may be extended to comply with provisions in the various group plans, companies provide coverage and federal regulations. Insurance benefits will terminate the last day of employment if last day worked is prior to the last day of school.

Under COBRA regulations employees can extend health, dental and vision insurance within the COBRA guidelines. Terminating employees will receive a COBRA notice mailed to their homes with their options.
