

How to Enable “Text to Speech” for MAP/NWEA Math

***2nd Grade Math Only

1. Open Manage Test Sessions
2. Set up a testing session, choose a saved one, or click “Test My Class”
3. Use Assign Test to pre-assign desired test— 2-5 Math MAP Growth
4. With test assignments complete, select all students from the list.
5. Click “Assign Accommodations”
6. From the window that appears, find “Text to Speech” under Accommodations
7. Specify that all parts of the question are enabled for text to speech
