

## 2020 Horizon Huskies Football

Welcome to the new school year and football season at HMS. The 8<sup>th</sup> grade coaching staff is very excited for the up-coming season and we are looking forward to having you participate in the football program. As a staff, we will do whatever we can to make this a successful season on the field, but also want you to have success in the classroom. We expect you to carry yourself in a respectful manner –in school, at practice, and during games. If we feel you are not performing to your capabilities, we will do whatever we can to improve the situation. We will always keep the players as safe as possible and will try to allow everyone to play. Keep in mind however, that you are in a competitive extra-curricular sport and we will decide who plays where and when. You need to come prepared each and every day, working as hard as you can. We will have success if you do this.

Some information has been listed below for you to look over and take care of. The first week of practice is listed and game schedules will be handed out when we complete scheduling. If you or your parents have any questions, feel free to talk to any of the coaches or contact us at the school.

### Pre-Practice Checklist:

1. \_\_\_\_\_ Get a physical or Form B and upload.
2. \_\_\_\_\_ Complete the computer evaluation for concussions (if you did not do so last year).
3. \_\_\_\_\_ Pay activity fee.
4. \_\_\_\_\_ Obtain your equipment. Take this home and try everything on. If things don't fit, bring these to practice the first day to exchange.
5. \_\_\_\_\_ Report to the first practice (Listed online) with your **helmet, shoulder pads, practice jersey, shorts, cleats, your own water bottle, and mouthguard.**
