

9. Casual Water

Find your nearest point of relief no closer to the hole where neither you or your ball lie in water that can be seen without pressing your feet up and down. You may then drop your ball within 1 club length from that point no nearer to the hole at no penalty.

10. Grounding Your Club in a Hazard

Practice swings may be taken inside a hazard as long as you don't touch the ground, sand or water with your club. The top of the grass may be touched during a practice swing. The penalty for grounding your club is loss of the hole in match play or a 2 shot penalty in stroke play.

11. Accidentally Moving Your Ball

There is a 1 stroke penalty for accidentally moving your ball and it must be replaced in its original position before hitting. There is another 1 stroke penalty for hitting the ball from the wrong place if it is not replaced. There is no penalty for accidentally moving the ball when on the tee.

12. Removing Loose Impediments

If, in moving loose impediments, you accidentally move your ball, you must return the ball to its original position and penalize yourself one stroke

13. Asking for Advice

It's against the rules of golf to ask an opponent what club they have hit. The penalty for this breach is loss of hole in match play, or a 2 shot penalty in stroke play.

14. Ball on a Cart Path

You are entitled to free relief.

Step 1 – Determine the "nearest point of relief". This is the point where the ball would lay affording the player both swing and stance from the cart path.

Step 2 – you are entitled to 1 club length relief from the point where the ball would lie once full relief is taken.

Step 3 – After dropping, the ball may roll up to 2 club lengths no closer to the hole.

15. Changing Club Characteristics

Clubs may not be altered in any way once play has begun. If a club is altered during the normal course of play, such as bending it after hitting a tree while attempting to hit the ball, the club may be taken to the shop for immediate repair and a replacement club may be used until the original club is repaired.

If the club is modified outside the normal course of play, such as breaking or bending it in a fit of anger, it must be taken out of play for the remainder of the match. Should it be used again the penalty is disqualification, whether match or stroke play.

16. How to Drop the Ball

After determining the nearest point of relief, you may stand outside the drop area, no closer to the hole, and extend your hand to the side dropping the ball from shoulder height. The ball may roll up to 2 club lengths no closer to the hole. If the ball rolls farther than that you must re-drop. If after dropping 2 times the ball continues to roll past 2 club lengths, you must place the ball where it first touched the ground.

17. Repairing the Line of your Putt

You may repair any ball marks in your line and removed any pebbles or foreign objects in your line, provided you do it with your hand or club. You may not fix spike marks or fan the ground with a towel or cap to remove sand or foreign objects. The penalty for doing so is loss of hole in match play or a 2 shot penalty in stroke play.

18. Hitting the Wrong Ball

The penalty for hitting the wrong ball in match play is loss of hole. If both players hit the wrong ball, only the first player to do so would be penalized as that would be the end of the hole.

The penalty for hitting the wrong ball in stroke play for either player is 2 strokes and the original ball must be replayed from its original position.
