

Hello!

My name is Kris Heiple and I'm the Chess Club Advisor at Wachter. The Wachter Chess Club will meet every Monday from 3:30pm-4:30pm in the Library. At club students will learn how to play the game of chess and the strategies of the game in a friendly environment with their peers.

Since the club will meet after school, students will need to arrange their own transportation home when the club ends at 4:30pm on Mondays.

Please let me know if you have any questions! The club schedule and student expectations are on the reverse side of this letter.

Kristopher Heiple
WMS 8th Grade Counselor
Chess Club Advisor

17th ✅
24th ✅
31st 🚫 (No club)

December

5th ✅
12th ✅
19th ✅
26th 🚫 (Christmas Break)

Respect

Win humbly, lose graciously, and use kind and appropriate language and voice levels at all times. All electronics (especially phones) should be put away so you can interact with your peers. Phones may ***only*** be used to contact your ride and check the time.

On Time

Once you arrive to club you must remain at club until 4:30pm. You should ask permission to leave to use the restroom or get a drink/snack. When you arrive you must sign-in. When it is time to leave, you must exit the building through the front entrance.

Accepting Others

Find players to begin your match with and include others, especially new members. Introduce yourself to members you may not know and learn one another's names.

Responsibility

Cleaning up after club is everyone's job. Safely put away all pieces back into their case and neatly place your mat and cases into the cardboard box. Wipe down your table if you spilled food. Push in your chair and take your items with you.
