

District Goals and Objectives

The mission of the Bismarck Public Schools is, "**Empower every learner to thrive.**"

The District shall comply with approval requirements in state law and shall strive to provide schools that meet the criteria for accreditation with commendation from Department of Public Instruction and that show adequate yearly progress as defined in federal law.

Bismarck Public Schools will use individual growth measures in determining student achievement of Bismarck Public School District standards.

In addition to meeting these approval and accreditation requirements/standards, the Board has established which are contained in the District's strategic plan and published on the District's website.
