In accordance with the Equal Access Act and Boy Scouts of America Act, if and/or when the District grants non-curricular student-led groups use of school facilities during non-instructional time, it shall also grant use to:

1. Any group officially affiliated with the Boy Scouts of America
2. Any other youth group that is required to be granted access under federal law
3. Community groups

Bismarck Public Schools shall make school buildings, equipment, and facilities generally available for educational, recreational, civic, and cultural activities within the limitations of state law and regulations established by the Superintendent. These regulations shall be nondiscriminatory in content, applied uniformly, shall contain conditions for approval and disapproval of facility use requests, contain terms of use and supervision requirements, liability insurance coverage, and terms under which community groups must pay short-term rental fees.

The use of buildings or equipment by others shall be without cost to the District. The Superintendent shall establish a schedule of rental and service charges to offset district costs.
