

Open Enrollment Between School Districts

The Bismarck School District will not participate in Open Enrollment except in the following circumstances.

1. The student has siblings who are currently open-enrolled in the Bismarck School District, except for open-enrolled siblings in category two, below. Students open-enrolled under this policy may attend the Bismarck School District until they graduate or enroll in another school district or in a private school; or
2. The student, currently attending the Bismarck School District, moves to another school district during the school year. The student may complete the school year in his or her class and school. If the student is an 11th or 12th grader, he or she may attend the Bismarck School District until graduation. For purposes of the policy, 11th and 12th grade begin upon successful completion of the sophomore and junior year respectively. Siblings of students who opt to finish high school under this provision are not eligible to open enroll; or
3. The student's parent(s) or legal guardian must have been an employee of Bismarck Public Schools prior to April 1, 2008, must still be an employee of Bismarck Public Schools, and must have purchased or leased the property they claim as their primary residence outside the Bismarck School District prior to April 1, 2008.
