

### **School Attendance Areas**

Parents are advised to check with Central Registration or the Bismarck Schools website ([www.bismarckschools.org](http://www.bismarckschools.org)) to make certain they are using the most up-to-date boundary maps in their decision making.

#### **High Schools**

The boundaries for senior high school attendance areas are shown on the current district boundary map. High school attendance areas feed from middle schools which feed from elementary attendance areas:

- Bismarck High School is fed by Wachter Middle School
- Century High School is fed by Horizon Middle School
- Legacy High School is fed by Simle Middle School

#### **Middle Schools**

Middle school attendance areas feed from elementary attendance areas. Boundaries are shown on the most current district map:

- Horizon Middle School is fed by: Centennial, Grimsrud, Highland Acres, Liberty, Northridge, and Roosevelt Elementary Schools
- Simle Middle School is fed by: Miller, Murphy, Pioneer, and Sunrise Elementary Schools
- Wachter Middle School is fed by: Lincoln, Moses, Myhre, Prairie Rose, Solheim, and Will-Moore Elementary Schools

#### **Elementary Attendance Areas**

The boundaries for elementary school attendance areas are as shown on the most current district maps.

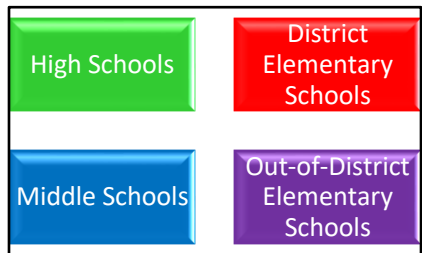

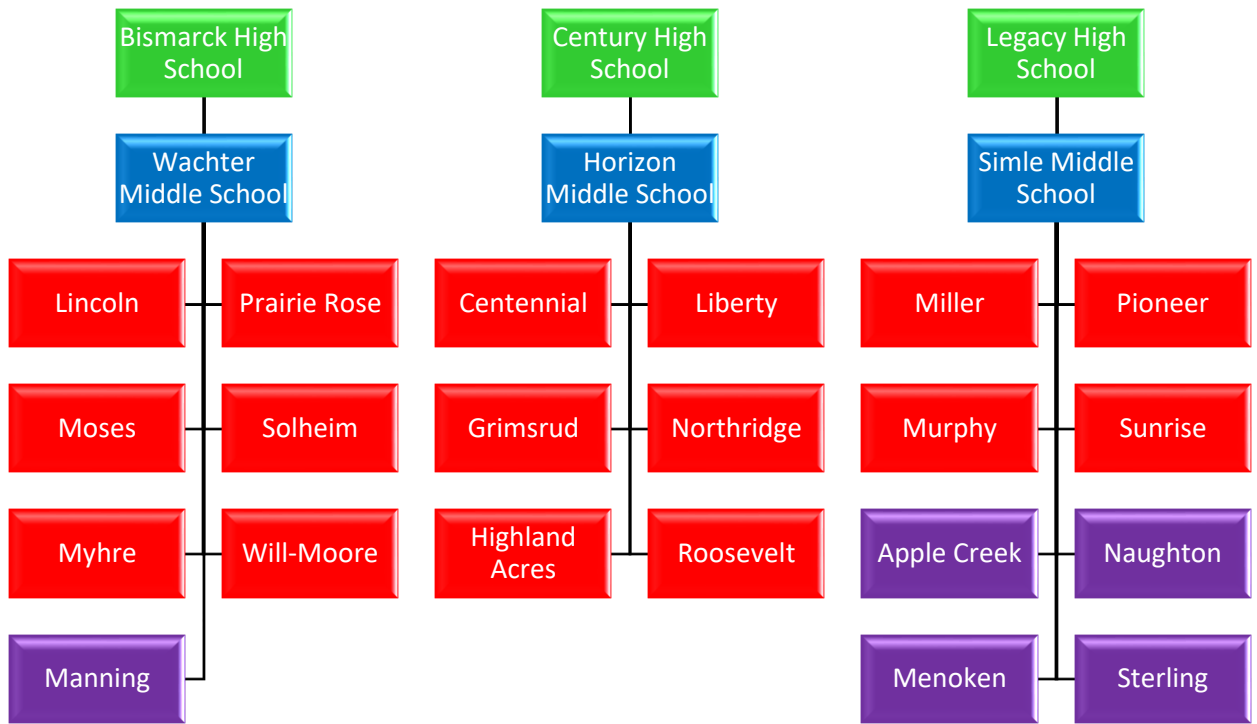

Non-resident students enrolling in Bismarck Public Schools through open enrollment or tuition agreements will be assigned to schools by the appropriate Assistant Superintendent based on available space.

#### **Tuition-Based Students**

\*Tuition students from other schools:

- Under state law, Bismarck provides secondary schooling for nearby school districts that do not operate a middle or high school. Those districts pay tuition for their secondary students. They will go to:
- Manning to Wachter Middle School and Bismarck High School
- Apple Creek, Menoken, Naughton, and Sterling to Simle Middle School and Legacy High School
