

Dear Bismarck Public Schools Administrative Team and Staff:

My name is Daniel Keith and I am the owner/orthodontist of DK Orthodontics located in Bismarck and Dickinson. I am a product of the Bismarck school system, a proud Century High School graduate, and former head tennis coach at Century.

Giving back to our students is something that we take great pride in. This year, we have had the opportunity to be a part of the sponsorship team providing live streaming of many of our BPS sporting events to accommodate for the current distancing guidelines. Additionally, we have been very honored to sponsor many other teams, organizations, and events that all support BPS athletics and activities.

While we continue to support the youth of our community, we wanted to take this opportunity to reach out to all of you, the backbone of our educational system in Bismarck, and say thank you for all that you do for our students. **With that said, we would like to offer a 10% discount on all (braces and Invisalign) orthodontic treatment to all employees of Bismarck Public Schools AND their families! This program will become our new office policy and has no expiration date. Simply call our office to schedule a FREE consultation and mention that you are a Bismarck Public School employee.**

We wish you all the best in 2021 and thank you for everything you mean to our Bismarck community! We are very thankful to be a part of it.

Sincerely,

Daniel J. Keith DDS, MS
